

## **MR HENRY SAINT BRIS**

Senior Vice-President Strategy, SUEZ  
Environnement, France

---

Mr Henry Saint Bris joined the Suez Group in 1996 and has held positions of increasing responsibility since then, serving as Vice President of Strategy and Development at Sita, the waste management arm of the group, and, as of 2003, posted in the US as Senior Vice President of SUEZ Environnement

North America, managing water and waste assets across the US and Canada. Since 2009, he has taken over responsibility of Strategy and Marketing at the corporate headquarters.
