

Rritu Saurabha

Rritu is Group Executive Vice President - Corporate Finance at YES Bank. He leads the Energy (Clean & Conventional) & Natural Resources team for North & East India as a part of the Infrastructure Finance group of YES Bank. Rritu has 12 years of experience in the Infrastructure Sector, predominantly in structured & project finance and has developed expertise in handling complex financial structuring of large Projects.

Rritu is a Mechanical Engineer and has previously worked with Indian Railways as a member of the Indian Railway Service. His distinctive experience spanning both the Government as well as the financial services industry, helps him offer a view which takes into consideration the capabilities and limitations of both the Public as well as the Private Sector in designing & executing PPP Projects.

Rritu has spoken at various forums on issues related to structuring & financing of energy infrastructure in India, incl. conferences organized by Assocham & Indian Chamber of Commerce.
