

Mustafa Ali Khan

Mustafa Ali Khan is Team Leader of the Indian Himalayas Climate Adaptation Programme (IHCAP). IHCAP of the Swiss Agency for Development and Cooperation (SDC) is a bilateral programme between the Government of India and the Government of Switzerland and is designed as a technical and knowledge support to facilitate the implementation of the NMSHE in coordination with DST. IHCAP focuses on generating knowledge, building capacities and strengthening platforms for enhancing resilience in the Indian Himalayan Region. He has been associated with IHCAP since 2012.

Dr. Mustafa Ali Khan also has extensive research experience in the fields of climate change adaptation in the Himalayan region.

In the past he has worked with Development Alternatives and Climate Connect.
