

## **Sunday Leonard**

### **Science Officer, Climate and Clean Air Coalition, UNEP**

Dr. Leonard is the Science Officer for the Climate and Clean Air Coalition (CCAC) hosted by the United Nations Environment Programme (UNEP) office in Paris, France. His work involves providing leadership and support for the scientific activities of the Coalition and cuts across the various CCAC initiatives as well providing support for the Coalition's Scientific Advisory Panel. Before joining the CCAC Secretariat, Dr Leonard worked as a Programme Officer in the UNEP Chief Scientist in Nairobi, Kenya. He has an MSc from the University of Nottingham, UK and a PhD from University College London.
