

Kunal Sharma

Kunal Sharma provides strategic planning, leadership, and guidance to Shakti Sustainable Energy Foundations' Climate Policy programme, which covers the Foundation's investments in the areas of low carbon development, mitigation of short-lived climate pollutants, and air quality management. Kunal has previously worked at Abt Associates in Cambridge Massachusetts, where he was involved with several investigations in support of US EPA initiatives. Kunal graduated from Yale University, USA, with dual Masters' degrees in Environmental Studies and Economics.
