

**Mr Giresh Mohan**

Regional Manager  
Corporate Social Investments  
ITC Limited

Mr Mohan has been in the Social Development sector for the last 18 years. During this period he has worked on action research projects funded by international agencies like European Union and Japan Bank of International Cooperation on environmental and resource economics, before joining ITC Limited.

Currently, he is leading Social Investments function of ITC Limited for South India. Mr Mohan is responsible for conceptualisation, formulation of strategies and management of the programmes aimed at addressing livelihood challenges.

He holds Master's degree in Forest Economics and Management from Forest Research Institute Dehradun, Uttarakhand. He is a Certified Sustainability Assessor of the CII-ITC Centre of Excellence for Sustainable Development.
