

## Youth Climate Conclave - 3rd Edition

In order to facilitate engagement, education and empowerment of Indian youth about the challenges of Climate Change, the 3rd edition of 'Youth Climate Conclave' (YCC) is being organized. YCC is being held under the SPIPA (Strategic Partnership for the Implementation of the Paris Agreement) project with Ministry of Environment, Forest & Climate Change, GoI as the nodal ministry. The SPIPA project is being implemented by the Delegation of the European Union to India, in close cooperation with GIZ-India. The YCC activity is being implemented by TERI in partnership with GIZ-India and CEEW. This conclave is envisaged as a competitive and an educative mode of action, wherein youth from across the country will come together to join hands and address the issues of climate change.

## **Guidelines for Short Video Contest**

- 1. Each student is required to submit one short two minutes video on the theme:
  - Act Now! Solutions for climate change
- 2. Entries can be submitted in the following age categories:
  - a. 10 18 years and
  - b. 19 25 years
- 3. Only one entry per student will be accepted; however, there is no limit to number of students who can apply from each school / college.
- 4. Videos should capture visuals of positive climate actions in the country, including those by youth, to address Climate Change (Video should capture activities related to sectors including Renewable Energy, Agriculture, Water, Energy, Waste Management, Sustainable Lifestyles, Resource Efficiency and Indigenous Knowledge).
- 5. The following criteria would be used to judge the entries:
  - Creativity
  - Original content
  - Message clarity and overall impact
- 6. The length of the video should not exceed 120 seconds (two minutes), not including the 10 second title screen (see pt. 7).
- 7. All entries should begin with a 5 second full-screen "title screen" that includes the following information:
  - Student's Name
  - School/ College
  - ♣ Title of video (a catchy tagline of not more than 15 words)
  - ♣ Total running time (not including the 10 second title screen)

- 8. Applicant should upload their 2 minutes videos on YouTube meeting the above criteria. Link of the video to be provided by the applicant in the application form.
- 9. Applicant should submit an original short video that conveys his / her understanding of the theme. The video should convey hopeful and meaningful messages. It should devoid of doomsday prophecies.
- 10. All information presented in the video must be cited, giving credit to the original source. Plagiarism of any kind will result in disqualification.
- 11. Obscene, provocative, or otherwise objectionable content will not be considered.
- 12. By entering the contest, applicant represents, acknowledges and warrants that the submitted video and description is original work created solely by the applicant and that no other party has any right, title, claim or interest in the video or the description. If the entry is found to be copied, the student will be expelled from the contest immediately.
- 13. By entering the contest, all applicants grant permission to the organizers to reproduce their videos in their original or updated form, without any notification, permission, fee or any other form of compensation. Videos will be credited to the applicants.
- 14. All expenses incurred during shooting process will have to be borne by the participants.
- 15. Deadline to submit the entry is 25 November 2021.
- 16. Please go through the contest details the website linkon https://wsds.teriin.org/ycc\_v3/youth-climate-conclave-3.php mail your filled in and application form at <a href="mailto:youthclimateconclave@gmail.com">youthclimateconclave@gmail.com</a>
